

Kultur-Pokal (Culture Bowl)

This contest will take place on-site at German Day and is played in teams.

- Level I is open only to German I & II students - Questions in English
- Level II is open to German III+ students - Questions in German
- No heritage speakers
- Students play in teams of 3, there may be multiple teams per school

Cell phones are not allowed in the culture bowl room. No other electronic devices are allowed that would allow students to look up information during the game, and no outside help is allowed.

Round 1: will consist of trivia questions related to some politics and geography of the major German speaking countries (German, Austria & Switzerland). The moderator will read the questions aloud. Each team will have 60 seconds to write their response. The answers will be collected after the first round (10 questions).

Round 2: Same idea as the first round. This time the topics will be music, literature, art, sports in the German-speaking countries. The moderator will read the questions aloud. Each team will have 60 seconds to write their response. The answers will be collected after the first round (10 questions).

Round 3: will be run the same way that Round 1 and 2 were, except that there will be questions which can cover any topic related to the German speaking countries. At the conclusion of Round 3, the teams with the highest score of all rounds will be given first, second, and third place.
